Please keep this or pass it to a friend

If you have a problem with any issues relating to bullying, please talk to someone. A teacher or headteacher will be able to help you. If your school has a peer-support scheme, you could use that. If you do not feel comfortable talking to someone in your school, you can talk to someone you can trust, a friend, parent or carer. They can come with you to talk to a teacher or someone else about the problem.

You can also call ChildLine free on 0800 1111; someone is there all the time and the number will not show up on the telephone bill. If you cannot get through the first time please try again.

If you have access to the internet you can go to the Anti-Bullying Alliance website which has a section headed 'Children' that will give you more information and advice on dealing with bullying.

It is important to remember that bullying happens to many people, and you are not alone. There are people in your school and outside who can listen and offer advice.

REMEMBER: KEEPING QUIET ABOUT BULLYING ALLOWS IT TO GO ON
