Together - Inclusion in Youth Work

Supporting disabled young people to access high quality youth work

Invitation

On behalf of BBC Children in Need, City Bridge Trust, John Lyon’s Charity and London Youth we would like to invite you to a half-day event exploring best practice in inclusion – enabling access to youth services for disabled young people.

The event is FREE and will be held at the Mansion House (courtesy of Rt. Hon. The Lord Mayor) on Wednesday, 6 May 2015 from 1pm – 5.30pm, followed by drinks food and a chance to network until 6.30pm.

Please note that alcohol will be served.

The event will showcase organisations currently delivering high quality inclusive youth work and inform, inspire and support you to develop your current offer to disabled young people. Practical workshops will include:

- The value of fun & friendship in the lives of disabled young people
- Removing barriers & creating opportunities
- Understanding & demonstrating the impact of your work

There will be opportunities for you to network and make new contacts and paralympian Ade Adepitan will be on hand to share some of his experiences.

BBC Children in Need, City Bridge Trust, John Lyon’s Charity and London Youth are determined to improve access to mainstream youth services for disabled young people. We want to help you do this and realise your commitment to enabling all young people to be the best they can be.

Places should be booked by Thursday 23 April. At this stage we can accommodate two people per organisation so bring a colleague!

You can book your place via this link.

We would be grateful if, when booking, you identify any access requirements which you may have.

A formal confirmation and detailed agenda will be sent nearer the time. If you have any particular enquiries at this stage please contact Rosa (London Youth) on 020 7549 2966.

With good wishes,
