Helping young people to stop carrying and using knives

Are you a young person concerned about knives being carried by yourself or someone you know?

Are you a parent or a family member worried about a young person you know carrying or using a knife?

Are you a teacher, youth worker, police officer or working in the criminal justice system responsible for working with young people who might be, or might be at risk of, carrying or using knives?

The Fear and Fashion website contains information and advice to help you if you are in any of those groups of people, and if you would like to do something about young people carrying and using knives.
